EMS MEDICATION RECERTIFICATION – February 28,2020

ALL EMS PROVIDERS:

EMS medication recertification is on February 28, 2020. As always, please take the boxes and ALS kits to a participating pharmacy beginning around 7:00AM on Friday.

Changes to the EMS Medication Boxes:

- Epinephrine Kits will be added to the bottom of each EMS box. The kits contain:
 - 2 - EpiRite syringes
 - 2 - Safety needles
 - 1 - Vial of epinephrine 1mg in 1mL
 - 4 - Alcohol preps
 - 2 - Adhesive bandages.

The kits are in the boxes to replenish MFR or BLS supplies when they utilize their kits or auto-injector. Additionally, the kit may be used by ALS crews if needed.

Changes to ALS Kits:

- None

Changes to BLS Kits:

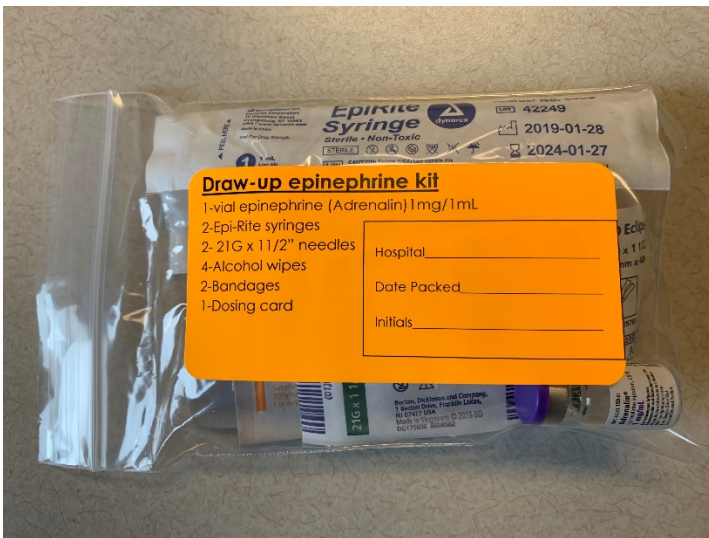

- None. Epinephrine Kits will be placed in BLS kits when the current auto-injectors are either utilized or expired.

Changes to MFR Kits:

- Epinephrine Kits will be added to the MFR Kit throughout March. Our office will contact each agency to arrange a drop-off.

Please contact our office if you have any questions about the recertification.
