EMS MEDICATION RECERTIFICATION

All EMS Providers:

EMS medication recertification is on June 26, 2020. Unless your agency has made other arrangements, please take the boxes and kits to a participating pharmacy beginning around 7:00AM on Friday.

Medication Boxes:

- The Duo-Dote syringes will be removed from the boxes because they all expire at the end of June. The expiration has not been extended and there is no source for additional syringes.
- There will be no other changes to the medications boxes.

ALS Kits (Blue Bags):

- There will be no changes to the ALS kits.

BLS Kits (Orange Bags):

- All BLS kits need to go to a hospital pharmacy for recertification.
- We are going to ensure that all BLS kits are uniform and therefore, if the BLS kit has epi-pens, they will be replaced with the Draw-Up Epi Kit.
