Drug box Restock Form Change

All Pharmacy Providers:

Starting **July 1st, 2022**, there will be a new drug box restock form. The form will not require you to log in anymore. Please be sure to update the link that you may have saved to your computer for the new form. I have attached a link to the new form below. This can be saved to your computer. The process will remain the same. This change is a result of changes to SharePoint that currently houses our form. As always, you can go to our website (www.saginawtuscolamca.org) and find the link there as well.

If you have any questions do not hesitate to ask.
